O Provision of Service on ad hoc basis for the case of (please state name and details of player below)

O Provision of Services on Subscription starting on (please state date of commencement of services below)

.....

The agreement is valid for 1 year from the commencement date and is renewed automatically for further yearly periods unless either party notifies the other party about their intention to not renew prior to the upcoming renewal date.

With the commencement of services, the Licensee is allowed to inform the CGA accordingly and to announce on the relevant websites about the offering of the services of CADRE to their online customers, and similarly the same process can be followed for notification in other jurisdictions.

Licensees publicly claiming to offer the CADRE service without a valid subscription will incur a penal fee equivalent to two annual subscription fees and will be reported to the relevant authorities.

**CADRE will provide the CGA regularly with a list of all licensees which have subscribed to the services in compliance with the ADR Policy.**

B2C Operators are required to implement a Disputes Procedure. This procedure should clearly explain to the Player when and how to take a dispute to the ADR. We recommend adjusting the Terms and Conditions accordingly and to use a clause similar to the example given below.

Should a Player feel that the dispute was not resolved to his satisfaction, the Player can refer the dispute to CADRE. CADRE is an independent alternative dispute resolution entity. The dispute resolution procedure at CADRE is free of charge for the Player independent of the outcome.

Decisions of CADRE are binding upon Operator and Player. The procedure before CADRE does not restrict or prejudice the Player's right to bring proceedings against the Operator in any court of competent jurisdiction

The annual subscription fee and/or the hourly fees are detailed in the current fee schedule. They are accepted by entering into this agreement.

The Service Agreement between the Parties consists of this Order Form and CADRE's Rules Of Procedure, a copy of which you have received with this form (please check regularly for any updates on <https://cadre.online/rules-of-procedure/>)

The Operator is required to submit the following documents together with the signed Order Form:
