

Blackbelt N.V. Minor Protection, Responsible Gaming, and Country Acceptance Policy

Introduction

This policy outlines the measures and procedures implemented on ypsilonbet.com to ensure compliance with gaming regulations, particularly concerning the prevention of underage gaming and the restriction of participation from certain territories.

1. Prevention of Underage Gaming

1.1. Age Verification System

- **Identity Verification:** Implemented a stringent age verification process that requires all new users to provide valid identification documents (e.g., passport, national ID, driver's license) during the registration process.

By clicking this button you confirm that you have read and agree to the [Terms and Conditions](#) and [Privacy Policy](#) of the company, consent to the processing of your personal information and confirm that you are of legal age.

- **Manual Review:** Established a dedicated team to manually review and verify documents flagged by the automated system or in case of discrepancies.

1.2. Terms and Conditions

- **Account registration:** Account registration requires legal age and compliance.

2.1.1. Reference to the "Account" shall mean an account registered by you on the Website after accepting and agreeing to these Terms. By registering an Account you declare that you are over 18 years of age or of a higher minimum legal age as stipulated in the jurisdiction of your residence under the laws applicable to you. It is your sole responsibility to know whether the services available on the Website are legal in the country of your residence. Persons who are under age of 18 years are not allowed to use the Website and/or any services available on it.

1.3. Parental Controls and Awareness

- **Awareness Campaigns:** Conduct regular awareness campaigns about the risks of underage gaming, targeting both parents and minors.

Minor Protection

To use our Service, You have to be 18 years or older. To avoid abuse, keep Your login data save from any minors near You.

Principally we recommend a filter program to avoid minors, especially children, to access any context on the internet, which is not healthy for them.

For parents we can recommend a list of internet filters, to support them, from keeping their children from any context, which was not made for them:

1.4. Regular Audits and Monitoring

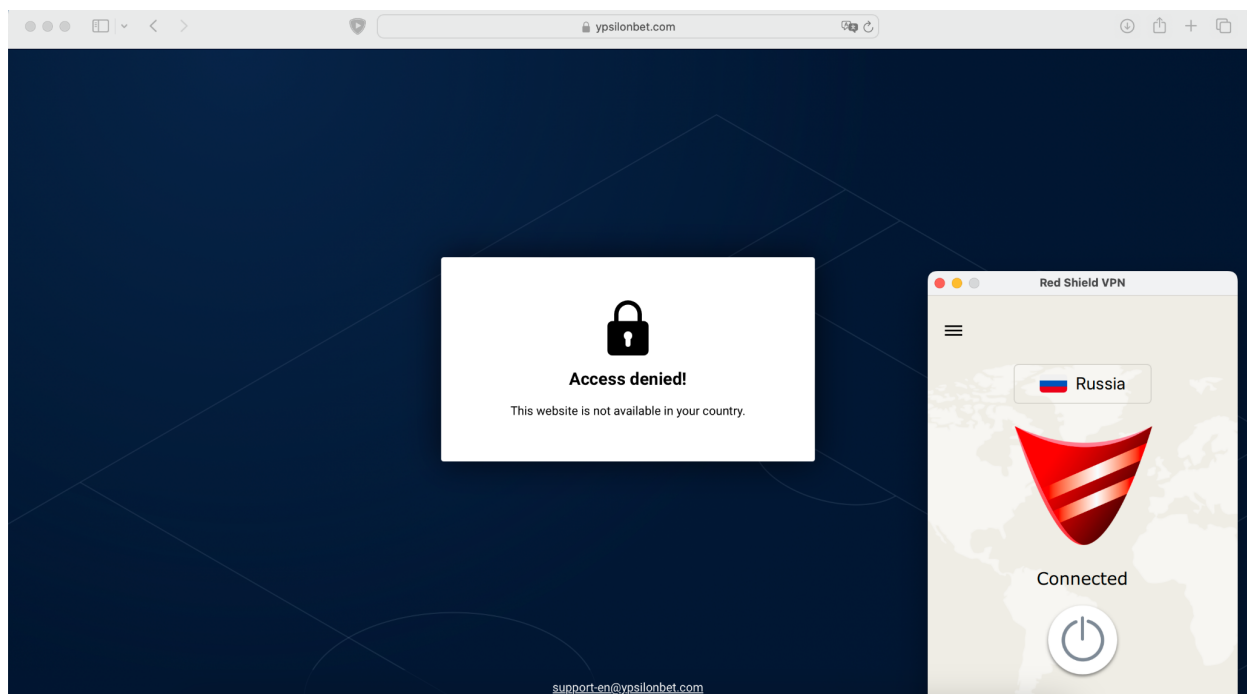

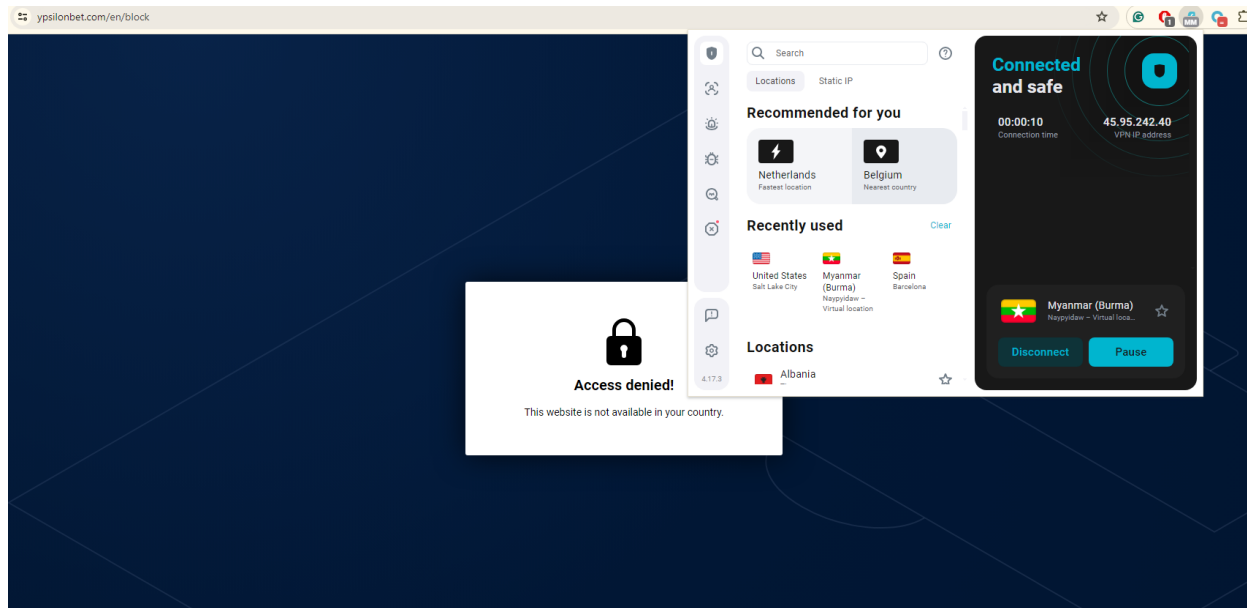

- **Routine Checks:** Perform regular audits of user accounts to identify and verify the age of users.
- **Monitoring:** Continuously monitor gaming activities for any signs of underage participation and take immediate action if a minor is detected.

2. Blocking Players from Restricted Territories

2.1. Geolocation Technology

- **IP Blocking:** Implement IP blocking technology to restrict access from IP addresses originating in the Netherlands, the United States, and other prohibited countries by license and sanctioned territories (Russia, Myanmar, etc.)

- **Geolocation Software:** Utilize advanced geolocation software to accurately determine the location of users during both the registration process and subsequent logins.

2.2. Registration Restrictions

- **Address Verification:** Require users to provide proof of residence during registration. This includes utility bills, bank statements, or other official documents showing the user's address.
- **Phone Verification:** Implement SMS or phone call verification to confirm the user's location based on their phone number.

2.3. Compliance with Sanctions and Regulations

- **Regular Updates:** Stay updated with the latest lists of sanctioned territories and update the blocking systems accordingly.
- **Legal Review:** Conduct periodic legal reviews to ensure compliance with international and regional gaming laws and sanctions.

2.4. Monitoring and Reporting

- **Activity Monitoring:** Continuously monitor user activities to detect any attempts to bypass geographic restrictions.
- **Incident Reporting:** Report any breaches of geographic restrictions to the appropriate authorities and take corrective action promptly.

3. Responsible Gaming Measures

3.1. Self-Exclusion Programs

- **Self-Exclusion Options:** Provide players with options to self-exclude from gaming activities for defined periods or permanently.

Helpful hints for responsible gambling at www.ypsilonbet.com

1. We recommend you think about the following hints, before gambling in order to ensure gambling stays fun for You and without any negative side effects:
2. Set yourself a deposit limit: Before you start gambling think about how much you can afford to gamble with according to Your financial situation. Play with amounts which are for fun and for Your entertainment
3. Do not try to win back a loss at every cost: Try to not take to huge risks to win back what You lost before at any cost. Play for Entertainment and not to earn money.
4. Set yourself a time limit: Set yourself a time limit and do not break it. Keep in mind gambling should stay in balance with your other hobbies and not be Your only hobby.
5. Play smart: It is smarter to not play, when You are extremely stressed, depressed or under to much pressure. Also do not play when you are under the influence of Medications, Drugs or Alcohol.
6. Take breaks. You should take breaks when You notice, that You get tired or can't concentrate anymore
7. Only one account: To make it easier to have an overview how much time and money You spend on gambling it is highly advised to not create more than one Account per Person.
