Clarification - Salary Payment Sheena Holdings Inc. via MaiCoin Exchange

Dear Sir, Madam,

Please find below the clarification regarding the payment of my salary from Sheena Holdings, as follows:

Sheena Holdings pays my salary in cryptocurrency, rather than via traditional fiat payroll.

Operational details:

- Salary accrual & payment obligation - The salary obligation arises at the level of Sheena Holdings, which remains the economic payer and employer.
- Crypto salary payment - Sheena Holdings settles my salary by transferring cryptocurrency to my account on the MaiCoin platform, a regulated cryptocurrency exchange in Taiwan.
- Role of Modernity Financial Technology Ltd - Modernity Financial Technology Ltd is the legal entity that owns and operates the MaiCoin exchange.
- Conversion from crypto to fiat – Every month, I exchange cryptocurrency for fiat currency. The fiat proceeds are paid out by Modernity Financial Technology Ltd to my bank solely in its capacity as exchange operator for off-ramp and settlement.

This is standard practice for regulated cryptocurrency exchanges and does not indicate a remuneration relationship with Modernity beyond exchange off-ramp services.

Kindly let me know if you need any further clarifications. Thank you.

Yours sincerely,

Yeh Tai-Chin
