REPORT

1. General

1.1 Constitution of the company

The Company was established on 30 August 2022, by Deed of a Civil Law Notary in Curaçao.

1.2 Core Business & Services

The main activities of the company are:

1. To supply, market, promote, manage, support and operate all types of remote gaming activities, comprising all types of games, betting and other interactive games.
2. To act as an online software gaming provider in the widest sense of the word, for clients established in or outside of Curacao or residing outside of Curacao.
3. The corporation has no authority to invoke the annulment of legal acts performed by the corporation, which exceed the corporate objective.

1.3 Share capital

The Share Capital of the company is USD 100 and is divided in 100 ordinary shares of USD 1 each.

1.4 Miscellaneous

- All amounts are in Euro.
- The company had no employees in service at the end of the period 30 June 2024.
- The Management of the company rests under IGA Trust B.V.

2. Accounting policies and principles used in the financial statement

I. General

The financial statements have been compiled based on the principle of historical cost.

II. Balance sheet

Assets, cash resources and liabilities

Assets, cash resources and liabilities are stated for their nominal value. The allowance for doubtful accounts is determined by individual valuation of the accounts in the portfolio. Assets and liabilities in foreign currencies are converted to the average exchange rate.

III. Profit and loss statement

The result for the year is calculated as the difference between revenues and costs. Revenues are recognized at delivery of the goods; costs associated to the revenues are accounted for in the same period as the revenues, other costs are recorded in the period which these are foreseeable.

3. Management report

To the attention of the shareholder(s) of Gladiator Holding N.V.
