(THIS IS NOT A B2C GAMING LICENSE AND THE ACCREDITED PARTY IS NOT AUTHORIZED TO ISSUE B2C GAMING LICENSES)

The trade name "Curaçao eGaming" or "CEG" is owned by Cyberluck Curaçao N.V. ("Cyberluck"), a public limited company, incorporated on March 15th, 1996 in Curaçao. Cyberluck is licensed by the Government of Curaçao since October 1st, 1996 under license reference 1668/JAZ to offer games of chance, including the right to under regulatory obligations grant the said offering to third party IP-operators, commonly known as "sublicensing". The B2B Accreditation Certificate is a bespoke, public certificate, listing the information of one single CEG B2B Accredited Party, rendering B2B services as a B2B provider to B2C gaming operators and listing its Accredited Services. It is valid for display within the 'Heartbeat' seal on the (non-B2C) website of the Accredited Party only and cannot be used for any purposes of certification, other than to provide assurance to third parties that the said party has been accredited by CEG as a B2B Service Provider. To safeguard that certified operations have remained legitimate, this certificate expires and needs to be renewed on a quarterly basis. The certificate does not allow in any way the holder to offer games of chance without a proper B2C license. Any abuse of the certificate shall lead to a criminal complaint by CEG, filed in all relevant jurisdictions. CEG may at any time alter or revoke issued accreditations. The Public B2B Accreditation Certificate is only displayed on the 'Heartbeat' Seal. A digital or hard copy is not deemed valid.
