- 1.3 The Parties now wish to make certain amendments to the Previous Agreement to update its terminology and ensure that it accurately reflects the SaaS nature of the services and the manner in which they have always been provided, by replacing references to “License” with “Software Services” and making related clarifications, all in accordance with the terms set out in this Agreement and without altering the substance of the Parties’ rights and obligations.

It is understood that any reference in this Section 3 to “Effective Date” shall be 31 December 2025, without prejudice to the date when the last signature is affixed to this Amendment.
- 3.2 The Background section of the Previous Agreement shall be deleted in its entirety and replaced with the following:

- 3.4 Section 3 of the Previous Agreement shall be deleted in its entirety and replaced with the following:

3 GAMES SOFTWARE SERVICES

- 3.1 Play'n GO hereby grants to the Operator, and the Operator hereby accepts, non-exclusive and non-transferable right to access the Games (Software Services) to in turn grant to the Players access to the Games solely in the Territory, on those Websites that are approved by Play'n GO and on the terms and conditions of this Agreement. The Operator is hereby expressly prohibited from providing access to the Games to other operators and furthermore acknowledges and understands that any breach of

this prohibition will be deemed a material breach of this Agreement as provided for in Section 17.2(a).

3.2 The Games are made available by remote server access only. Players may only be granted access to the Games by way of a Website and using each Player's account with the Operator or other means of payment and identification permitted by the Operator's Permits. The Games will reside solely on Play'n GO's servers and no copies thereof will be made or made available to either the Operator or the Players, save for any parts thereof that are required to be downloaded to the Players' devices to enable the Players to play the Games as intended. For clarity, Play'n GO may act as an intermediary, in which case, the services (including the provision of access to the Games), purchased and supplied by Play'n GO, remain unchanged.

3.3 The Games provided as part of the Software Services by Play'n GO to the Operator may be made available to Players only on those Websites that are set forth in Appendix 2. Any additional Website where the Operator wishes to make the Games available to Players shall be notified in advance to Play'n GO and subject to Play'n GO's prior written approval, which approval may be subject to further terms, prior to any Games being made available on such Website.

3.4 The Parties agree that if any of the Websites are not approved by the relevant regulatory authority in any jurisdiction, the Operator may not make available any of the Games on such Websites unless and until the required Permit is granted. In the event that any approval related to such Website is subsequently revoked by the relevant regulatory authority for any reason whatsoever, the Operator shall immediately cease providing the Games through the Websites concerned. Any and all liability, whether direct or indirect, incurred as a result of the Operator's provision of the Games through any unapproved or otherwise illicit Website shall be borne completely by Operator without any limitation of liability set forth elsewhere in this Agreement. Furthermore, the Operator shall indemnify and hold Play'n GO harmless from any cost, claim or proceeding as a result thereof.

3.5 Section 10.2 of the Previous Agreement shall be deleted in its entirety and replaced to read:

Play'n GO represents and warrants that it holds all applicable Permits as required to provide the Software Services in all parts of the Territory on the Effective Date and the Operator warrants and represents that it holds all applicable Permits required to offer and make the Games available to Players in all parts of the Territory on the Effective Date and both Parties warrant and represent that there are no circumstances known by either Party on the Effective Date that may cause such Permits to be cancelled.

- (c) Where the context so requires, references to "Games" in the Previous Agreement shall be construed as referring to the Software Services provided by Play'n GO, including access to the Games, as applicable.
